Continuation of 3. NOTE: Applicants amended claims 1, 3-11, 13, 15, 18-26, 28, and 30-46 with the additional new limitations: "determining whether an identifier (ID) of the data object is stored in a transactional lock object; when the ID is not stored in the transactional lock object,, storing the ID in the transactional lock object...". The scope of the invention has been changed.

Since the prosecution of this Application is currently at post-final-action stage, the amendment will not be entered as it necessitates a new search and claim analysis to determine the patentability of the amended claims.
